

FOREWORD

"There is no past so long as books shall live," stated Lord Bulwer-Lytton — and what truth there is in his saying! By applying it to this book we have the real significance of our Zenith, a record of our high school days, never to be forgotten so long as we keep it close by as a reminder.

Created by youthful hands, our Zenith has been fashioned to preserve for the future the scenes of perhaps the most joyous periods in our lives. Thus, seen through the eyes of youth itself, no picture could be more accurately painted to reflect and bring out the heart and soul of our beloved Central High School.

DR. H. H. EELKEMA Superintendent of Schools

MR. A. M. JANTEE Our Principal

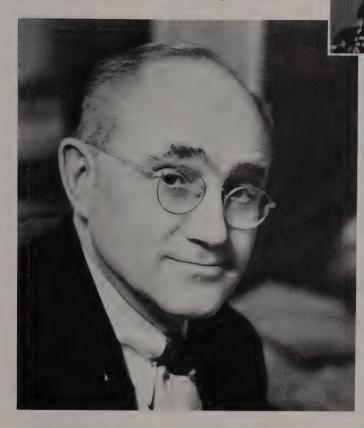

Our energetic Superintendent of Schools, Dr. Eelkema, came to us several years ago with an excellent preparation through his training in education, law, and business. His progressiveness in education has been proved by his program in guidance, trade courses, and in broadening the base of instrumental music.

Mr. Santee, our principal, has been successfully guiding the affairs of this school for the past sixteen years. Throughout our stay at Central his untiring efforts on behalf of the students have made him esteemed and respected by everyone.

MRS. W. H. BENSON Dean of Girls

MR.T.F. PHILLIPS Assistant Principal

Mrs. Benson is our very popular dean of girls. She possesses understanding and sympathy balanced with a good sense of humor which endears her to the hearts of all the girls. In spite of her heavy responsibilities, she is also aviser of the Girls Club.

We all appreciate Mr. Phillips, Centrals assistant principal. In addition to solving the many difficult problems which arise each day, he also manages the athletic funds. His absolute fairness and understanding make him indispensible to the students and faculty of Central High School.

SMITH-HUGHES COURSES

Through the operation of the Smith-Hughes Act, trade courses have been inaugurated in Central High School through Federal and State funds. These courses are designed to provide sufficient training in a specified trade to enable a graduate to enter industry advantageously by giving him a basic understanding and experience similar to the early work of an apprentice. The training is of two years duration, but may be extended to three years if the student wishes to complete his work for graduation. There are seven different courses in the Central division, four of which, Carpentry, Foundry, Mechanical Drafting, and Printing, have been chosen by a number of this year's graduates. They will now be able to count practical experience which will help them directly to a position as a workman, a foreman, or in a business venture of their own.

Office Cadets

Running errands, answering the phone, filing excuses, distributing notices, checking up on absentees, and many other helpful services make these cadets indispensable to our three offices.

Row One—Russell, London, Franson, Kyto, Pearling, Maurice, Bartholdi.

Row Two—Pollack, Sandin, LaFortune, Morrow, Sprague, Rooney, Bergfalk, Mattsen, Glibbery.

ROW Three—Instone, Rockwood, Dahl, Foster, Jacobsen, Hanson, Grandy, Kehl, Loos.

Building Staff

To the janitors and engineers, those tireless workers whom we seldom notice as we go our way in school, we students owe a great deal. Central would be a chilly, paper-filled, dusty building if it were not for the work of these unobtrusive men.

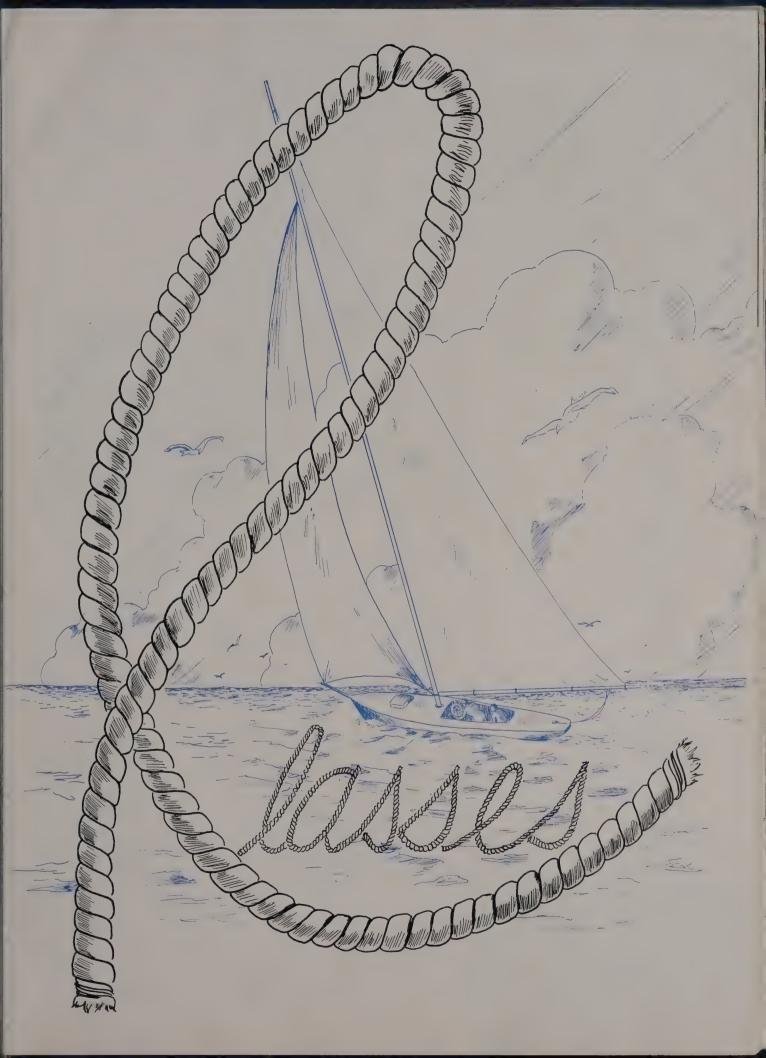

In the picture they are: Row One—Charles Peterson, Nels Hilsen, Pete Hegle; Row Two—Gul Andrews, Oscar Saugestad, Mac Neil, Ed Miller, Martin Sether. Not present when picture was taken—Lewis Minogue.

Cafeteria Staff

During the cold months of winter, these women who serve us lunches in our cafteteria daily prove their value to Central. These faithful workers come to work early in the morning and their day ends long after the students have left.

The group includes: Winifred Hansen (seated), Mammie Arbuckle, and Nettie Nelson.

SENIOR CLASS

JOHN GRANDY

ROBERT KANERVA

MARY LOUISE FLYNN

At last we have reached the very peak of our high school career which seemed so distant on that day when we first crossed the threshold of Central. For three years it has been our home and soon we are to leave it forever. These days, these happy days that we have spent in Central have flitted by before most of us have realized it, so absorbed have we been in our lessons and other activities. Now, these days have formed an epoch in our lives, a closed book, almost a complete life in itself. As we grow in the serious ways of the world of tomorrow and become burdened with definite responsibilities, we shall look back upon our high school life with fondness, as the period when we were happiest. It has been a carefree little world, this, that we have been living in, filled with youth and laughter, much different in comparison with the grim, hard world which we shall face when we receive our diploma.

What a challenge it is, then, to meet the difficulties bravely and squarely which are bound to be encountered upon our departure from high school. If we have made the most of days of learing, we shall be able to do this and break down the barriers one by one that stand between us and success.

So, a health to all seniors who are going from here into the outside world and may we never forget the friends we acquired and the joyous days that were ours in Central High School.

CLASS HISTORY

The flag ship of Central's fleet, the Senior Class, is sailing safely into port. At the beginning of it's voyage in 1936 we chose our captain, Bob Swanstrom, his crew, John Grandy, Mary Louise Flynn, Margaret Miller, and our Adviser, Miss Bede. So well did they man our vessel that we chose them again in 1937 and 1938, aided in the latter year by Robert Kanerva.

As we weighed anchor the first year of our voyage we got under way with several interesting meetings. By our second year we were under full sail. We had five successful dances, including the Junior-Senior Prom and the popular Commencement Dance. At Christmas our class presented a religious play entitled "The Gift." Many of the boys made names for themselves in the field of athletics.

In September, 1938, we began the homeward voyage. At port we stopped and there enjoyed the traditional Auction in November, with Harriet Sleepack and Fred Knight as our chairmen. We gave several dances, one of the most enjoyable of which was the President's Ball at Christmas time. Over our Homecoming game and dance reigned our queen, Elaine Dahl. As our voyage drew to a close we were guests of the good ship Junior Class at the Junior-Senior Prom, and also, we presented our Senior Class Play, "The Swan," by Molnar.

With happy memories of our cruise we now lie at anchor, awaiting the tender which will take us to the shore. We feel a glow of pride that comes with work well done, and we hoist our record as a challenge to on-coming classes. Securely, we bind the sail yards to the masts and with salutes of appreciation to our splendid crew, prepare to leave the ship.

JUNIOR CLASS

LEONARD NAYMARK

DONALDCRASSWELLER MURIEL BROMAN ESTHER MARCOVICH

JEAN McDONALD

With a fresh autumn breeze in our sails, we glided safely into our Junior year at Central under the able guidance of our adviser, Miss Klaus. We prided ourselves by again being the largest class in the history of the school.

To direct our course we elected Leonard Naymark, president. The remainder of the piloting crew consisted of Donald Crassweller, vice president; Muriel Broman, secretary; Jean McDonald, treasurer and Esther Marcovitch, assistant treasurer.

We have tried to do our part in all phases of school life and can indeed be proud of our record. Our ranking in scholarship and participation in athletics and social functions have been done with an enthusiatic and whole-hearted spirit. This was

necessary in order to attain our goal of making the class of 1940 one of the most progressive and outstanding to pass through the doors of Central.

Bearing this thought in mind, we considered our Junior year indeed a successful one as we sailed out of it with high hopes for our destination, the Senior class.

MISS KLAUS

CLASS HISTORY

SOPHOMORE YEAR

September 7, 1937—1,100 Sophomores entered Central to form the largest class in the school's history.

November 24, 1937—The Sophomore class formed the largest pool in the history of the Auction.

February 15, 1938—Our second class meeting was given over entirely to an address by Dr. Hale of Carleton College.

February 28, 1938—At our third and final class meeting of This year, we announced plans for a St. Patrick's Day dance on March 17. March 17, 1938—A St. Patrick's Day dance was given in

March 17, 1938—A St. Patrick's Day dance was given in the gym by the Sophomore class under the chairmanship of Muriel Broman and Leonard Naymark.

JUNIOR YEAR

September 6,1938—Our class of 950 was the largest Junior class ever enrolled at Central.

October 18, 1938—We held the first class meeting and introduced our officers.

October 29, 1938—We sponsored a Hallowe'en Dance with class officers as chairmen.

November 23, 1938—Again our class played an important part in the Auction.

February 4, 1939—Something new was tried by the Junior class by way of a Mid-year Prom. It was given at the Casa del Norte with Jean McDonald serving as general chairman.

April 20, 1939—Something else new. The business of our class meeting was followed by an entertainment with Edith Taylor as mistress of ceremonies.

SOPHOMORE CLASS

The "Good Bark Sophomore" left the harbor in September, 1938, sails unfurled, to begin a full year of activities. With the wind assisting, our boat looked to the Junior Class as its destination.

Leading her crew to success was the capable Myrna McCauley, who was ever ready to assist her classmates in their undertakings. Myrna, amiable, red-haired, and full of personality, excelled in dramatics and debate.

Second in charge of hands was Jay Lurye, whose eagerness in participating in class events is well appreciated. Jay spent some time in journalism and won several awards in that line.

Virginia DeSanto, our brown-haired, smiling, third mate, fulfilled her duties in every detail to help make this year a success.

Fourth in command of our bark was Margaret Shepard, tall, slender and lively, who entered into all activities with her usual helpfulness.

So our boat now rests in calm waters which brings to an end our Sophomore year, one not easily to be forgotten. We wish to sincerely thank our most understanding adviser, Miss Chatman, for assisting us throughout the year.

MISS CHATMAN

CLASS HISTORY

On the calm waters now rests our bark "Sophomore" home from its memory cruise. Quietness reigns except for faint murmurs coming from the open portholes. As we walk along the wharf we are attracted by the first port. Glancing in we see a hall quite filled with students. Some students are tall and carry themselves with an air of importance. Still another group seems just a little shorter and a little less important and yet they are great compared to that lowly looking third group. The other two groups seem to ignore them or snobishly dub them "little sophs." But the hall is now clear so let us move on.

A splash of color catches our eye at the second port and as we look closer we see the colors black and orange symbolic of Hallowe'en. Someone is talking and at second sight we see it is Miss Chapman. Let's listen—"and now I present to you your officers: President, Myrna McCauley; Vice President, Jay Lurye; Secretary, Virginia DeSanto, and Treasurer, Margaret Shepard. You have selec—"

Her voice grows dim as the boat drifts to the end of its mooring. But there, that port is nearer to the pier, let us look in. There is music with people laughing, dancing, and skating. Off to the side stand Joyce Murphy and Lawrence Wolfe proudly surveying the merriment. Certainly this must be the "Sophomore dancing and skating party." Didn't Joyce and Lawrence lead us in this venture supported by a fine committee? But quickly fill your eyes for all hands are on deck and in the lowering fog the "Sophomore" is preparing to sail. The lines are cast off and quietly through the merry echos into the darkness glides our ship. But as sure as the fog shall lift and the sun shall shine will our bark return next year anxious to gain equally great fame on the schooner "Junior."

CLASS ATHLETICS

Athletics played its usual important part in the history of the "Sophomore Class." The class not only placed many men on the second teams but also acquired several letter men.

Participating in basket ball were: Ned Atkins, William Boldt, Robert Bonham, Richard Eacobacci, Richard Robb, and Richard Shapiro.

Our sole hockey supporter was: Fred Hart.

The three Sophomore mermen were: John MacFadyen, Jim Webel, and Roger Kelley.

Our future football heroes are: Ralph Altman, Herbert Anderson, William Call, Elwood Denno, Sylvestor Draxton, John Grenner, Bill Hatland, Robert D. Johnson, Morris Levine, James Mackey, and Ed Masalonis. Charles Michaelson, Arthur Miller, Richard Robb, Albert DeChantel, Allen Ronning, Robert Smith, Harvey Solan, Walter Strum, and Richard Johnson.

Robert Ojard was the only Sophomore who reported for track.

LIBRARY CLUB

Central's Library Club which serves the school so efficiently gives knowledge of library work and pre-vocational training to its members.

Students in the club spend approximately fifty periods a year assisting the librarian. For this work they are eligible to receive letters or Trojan heads for three years of service. Since 1929, when the Library Club was organized, two hundred three girls have received their Central letters through the Library Club. This year Trojan heads were awarded to Betty Magnuson, Alice O'Rourke, Dorothy Rossom, and Patricia Wiltse.

The Library Club carries on activities during the year including parties and other social events under the direction of its officers: Phyllis Buresh, president; Alice O'Rourke, vice-president; Patricia Wiltse, secretary; and Ferne Zurovsky, treasurer.

STAMP CLUB

The Stamp Club meets every other Wednesday under the supervision of Miss O'Neil. Membership is composed of students who have a common hobby—stamp collecting. A general program is held of one "trade" meeting alternating with an "auction" meeting. During February a Stamp Exhibit was held, and various interesting collections were submitted by the members.

The officers of the club are: President, James Ryan: Secretary, Olive Estella Duffy: Treasurer, Louis Conheim.

BOYS' "Y" CABINET

The "Y" is diligently serviced by a group of twenty outstanding boys who form the Boys' "Y" Cabinet. These students are chosen each year by the preceding members of the cabinet and have many definite duties to perform in promoting services to the "Y". These include care of the lobby, organization of the clubs, membership, social and athletic activities, and information concerning boys of other lands. Committees are chosen from the cabinet to sponsor this work. The cabinet meets monthly in homes of the members or in the "Y". The officers for the year of '39 were: Ward Bjerke, President; Walker Seligman, Vice-president; Bob Jennings, Secretary.

HI-Y CLUB

During this past year the Central Hi-Y has continued in its aim "To create, promote, and maintain high standards of Christian character throughout the school and community." Because of the fine ideals the Hi-Y Club has proved to be an excellent outlet for the energies of our Central boys. Meetings are held on Wednesday nights at the Boys' Y. M. C. A.

The activities of the year consisted of the "Rosedale Prom" at which the students were taken "back to the farm": the joint meeting with the Girls' Club at which various problems of etiquette concerning young people were discussed, and the annual co-ed party at Camp Miller.

The officers for 1938-39 of the Club were: John Hanft, President; Fred Lounsbury, Vice President; Dick Conde, Secretary; Fred Knight, Treas-

GIRLS' CLUB

This year, because of the increasing interest in the Girls' Club activities, the members were divided into three groups according to their talents and interests. The Arts and Science section is responsible for dance programs and decorations, favors for Club meetings and hospitals, and artistic necessities in general. The Personality Development group is concerned with furthering character building and promoting friendship among the girls. The unusually active Athletic group specializes in sports and sponsors play days, hikes, tournaments and contests in the physical education field.

Besides the annual Girls' Club dances on Halloween and St. Valentine's Day, there was added this year a benefit dance for the new and efficient Service Orchestr. The Thanksgiving baskets and tradition-

al "Little Sister" party made up the list of charitable services of the organization. The final social activity of the year was a Mother-Daughter banquet on May 12.

Among the noteworthy projects undertaken and completed are the purchase of badminton and miscellaneous equipment for the physical education department, a mimeoscope for the Commercial department, and for the club proper—a special table and lace cloth for entertainments.

Throughout the year the regular and special meetings of the club have been planned with careful attention for the general interests of its members. The officers were: President, Barbara Jenswold; Vice President, Muriel Broman; Secretary, Myrna McCauley; Treasurer, Nancy Foster.

HISTORY CLUB

FIRST ROW—Fortin, Schwartz, Russell, Mannes, Horwitz, Krupp, Neipp, Vertelney.

SECOND ROW—Jeanette, Hoppe, Crystal, Carlson, Graham, Latts, Kaner, Modahl, Melander, Fitzgerald.

FIFTH ROW—Le Duc, Larson, Thorstensen, Latts, Iverson, Ryan, Lieberman, McLean, Thompson, Miller, Ericsen, R. Wallin, Dundovic, H. Wallin, McDonell, Paulson, Bernstein, Strother.

The History Club is one of the largest at Central, and is one of the few organizations that exists mainly for educational interest. The membership is open to any student who is or has been enrolled in a U. S. History Class.

During the year the club sponsors many varied and interesting assemblies of historical importance. The members presented a short skit on Armistice Day written by Mrs. Macdonald. Visiting speakers are frequently brought to the school for the club meetings, and at such times the club invites many outside of their own membership to share these programs.

Though mainly founded to further historical interest, the club meets its social obligations by putting on two dances to which paid members of the History Club are admitted free. These have proved quite popular among all the students at Central as the large attendance has shown.

One of the most significant services of the History Club is the donating of books to our school library. Biographies, histories, books on economics, and social subjects have all been added.

To aid in the arranging of plans and paying of dues, soliciters are appointed in each class. They announce the forth-coming programs and dances to their class and arrangements can thus be made more easily. This method also provides an efficient way of collecting dues.

Miss Travis has been the advisor for the current year. Officers were; President, Bob Mannes; Vice-President, Jean Russell; Secretary, Ellen Horwitz; Treasurer, David Schwarz.

LATIN CLUB

A new organization which was started this year is the Latin Club, under the guidance of Miss Case. This club is a branch of the National Junior Classical League. Meetings were held every other Wednesday and included plays, lectures, and the discussion of Latin and its influence in modern civilization. Special entertainments were given in celebration of Thanksgiving, Christmas, Valentine's Day and the Ides of March.

The traditional "Death of Dido" was presented by the fourth year students, and the German and French Clubs were invited as quests.

Officers for the school year 1938-39 are: President, Helen Sobotta; Vice-President, Margaret Schwedes; Secretary, Douglas Stalker; Treasurer, Paul Siegler.

FRENCH CLUB

A new language club which was started this year is the French Club under the supervision of Miss Anne Cherry. Many interesting programs were planned and meetings were held bi-weekly. They gathered to sing, tell fortunes, match French proverbs and compare French and English word origins. The purpose of the club is also to learn something of the spirit of the country of France, her customs, language and people.

Joint meetings were held with the German and Latin Clubs. At one meeting Tom Shefchik and Bob Neipp showed movies of their stay in France. Other programs in which the French students themselves participated were a reading contest, a pantomime, and a brief dramatization.

President, Richard Bateman; Vice President, Louise Dahl; Secretary, Cordelia Goodman; Treasurer, Geraldine Hanson. ROW ONE — Otto, Iverson, Anderson, Wiltse, Sandin, Heg vold, Benson, Nelson, Beyrer.

ROW TWO-B. Armstrong, Leery, Bartholdi, Nordal, Moulton, Grandy, Pearling.

GERMAN CLUB

Though only two years old, the German Club has become one of the most active and interesting clubs at Central. Under the helpful guidance of Miss Ziegler and Miss Mueller, the members have planned and prepared their own meetings, conducted in German, throughout a year of worthwhile activities.

The membership this year numbered about thirty-five, the only requirement being enrollment in a German class. At various times short skits in German were presented, and German songs sung at the meetings held every other Wednesday. At Christmas, the annual play was given which was written by Virginia Sandin, a member of the club, a new idea which was initiated when the German club gave a song festival for the other language clubs in April.

The officers were: President, Virginia Sandin; Vice President, Gordon Anderson; Secretary, Betty Hegvold; Treasurer, Patricia Wiltse; Advisér, Miss Ziegler.

MASK AND WIG

The Mask and Wig Club started their dramatic activities last fall with an evening of one-act plays. A comedy, "Rosalie", a serious drama, "The Bishop's Candlesticks", and a fantasy, "Overtones" made up the program. In November the club gave a humerous pantomime for a number on the Girls' Club Revue. A Christmas morality play, "Dust of the Road" was presented at club meetings. The Mask and Wig sponsored the plays and puppet shows at Central of the Duluth Children's Theatre. The purpose of the Mask and Wig Club is to give students practical experience in producing plays and to promote interest in the dramatic activities of the school.

Officers of the club are: President, Ann Maker; Vice President, Donald McLean; Secretary, Margaret MacFadyen; Treasurer, Milton Gilberstadt; and Club Advisor, Lois K. McKibbon.

Camera Club

FIRST ROW — Scone, Horwitz, Kall, Trelford, Hanson, Thompsson, Southworth, Phillips.

SECOND ROW—Schar, Sheeks, James, Burns, Singleton, Holmberg, Golden, Karsner, Mather.

THIRD ROW—Carlos, Larson, Winship, Sher, Brooks, Winthrop, Davis, Bernstein, Swanson, Moffet.

Central's Camera Club is organized to further interest in photography and to bring together members of the school who wish to know more about taking and developing pictures. Miss Southworth directs the club and this year helped them carry on a program to foster the technical parts of photography.

A Camera Club contest sponsored by the Zenith and directed by Miss Marvin was the main point of interest this year. Judges of the pictures submitted were Mr. Phillips and Mr. Steele.

Officers are: President, Keith Thompson; Vice President, Bob Gerrish; Secretary, Margery Trelford; Treasurer, Bazel Hanson. The ultimate aim of the Radio Club is to acquire as much technical data as possible about radio. A meeting is held each Friday, at which time lectures on various phases of radio are given. The club maintains an information bureau to which members may submit problems.

Six licensed amateurs in the club own and operate their own stations, and it is the ambition of each member to become a licensed amateur.

Officers are: President, Charles Makowski; Vice President, Dick Carpenter; Secretary, Howard Sanders; Sargeant-at-Arms, Graden Grobi; "Program Chairman, James Green; Adviser, Mr. Steele.

THIRD ROW—Lomison, Ferber, Hegvold, Wiersch, Lees, Henderson.

During the past year the Chess Club was given the opportunity, with the help of Mr. Parkes, to purchase aluminum and bronze chessmen and boards made in the Foundry and Wood-working departments. An occurrence of interest for some of the players was a simultaneous chess match with Mr. Robert Gross, champion of the State of Iowa.

In April the Chess Club played a tournament game with Superior Central at Duluth which ended in a tie. A return match was held at Superior to determine the winner. The Central Girl Reserves have had a successful year carrying out programs covering many fields of activity, such as, devotions, service, health and order.

Some of the interesting speakers were Miss Ada Morgan, Miss Gruetzmacher, Mrs. Northup, Mrs. Kaus, and Miss Schwartz. A skating and dancing party was held during the winter for the "girl dates boy" program. Activities of the year included a Christmas party, a play, a Mother-Daughter Banquet, and a Senior Farewell Banquet followed the next evening by a formal dancing party in which Girl Reserves of Central, Denfeld, Morgan Park and Cloquet participated.

The officers for the year were, President, Jeanette Anderson; Vice President, Mary Louise Ouse; Secretary, Ellen Ouse; Treasurer Dorothy Genereux.

THE BAND

The band under the baton of Mr. Thomason has again represented Central splendidly. Beginning the year with parades and appearances at football games, it has performed very well throughout the season. One of its greatest demonstrations was given between halves of the Central - Denfeld football game, when a flamboyant colorful marching exhibition was executed in the darkened stadium by means of colored flashlights.

During the basketball season, the band provided entertainment and pep. The new uniforms purchased a year ago make it a colorful organization.

Much was added to the band's prestige by attaining second place in Duluth's annual Battle of Bands. This was their third year of competition.

The concert band consists of 55 pieces which meet the fourth period every day. In addition, there are two sectional rehearsals each week. It is organized like a club with the corresponding officers. A full credit and letter are offered for a year's participation, but the general enjoyment and musical experience count for greater gain.

The main event of the spring term was the entry in the State contests at Minneapolis the first week in May. The band has participated for three years, gaining a "B" rating the first two years and an "A" this year. The "A" achieved this year qualifies the organization for the National Contest held in Minneapolis May 19.

A system of specializing has also been practiced this year with several ensembles being organized. These, together with five soloists, also represented the school in the state contests. (Out of 10 entries five "A's", three "B's", and two "C's" were achieved—a significant record) The groups attaining an "A" rating will also enter the national contest.

The orchestra under Mr. Borgwald's direction has always filled an important role in our school affairs.

It has a membership of fifty players, several of whom belong to the symphony orchestra.

Among its numerous appearances during the year, the part it enacted at various assemblies, the Christmas play, the Class play, and the Commencement exercises stand out conspicuously.

The orchestra has its regular class meetings the sixth period. It provides an opportunity for string instruments not given by any other instrumental group.

The organization maintains a club-like set-up with a President, who for this year was Tom Hopper; its Vice President was Virginia Hawley: its Secretary-Treasurer was Floyd Johnsen; its Librarians were Esther Gendein and Mary Wigg; and its Quartermasters were Fred Hill, Bob Elliot, and Warren Bartell.

ORCHESTRA

The Brass Quartette in its first year of organization, participated in the Minneapolis contests procuring a "B" rating. The contest number which they played, a delightfully modern interpretation, is entitled "Interlude." The ensemble consists of the following band members: Kermit Larson and Maren Harris, Trumpets; Keith Thompson and John Kolarik, trombones.

BRASS QUARTET

HORN QUARTET

The French horn section of the band organized ensemble this year consisting of Edward Wicklund, Marilee Ward, Donald Pennie, and Thomas Hopper. It comprises one of the finest horn sections Central has produced. Participating in the state contests this year, the quartette gained the distinction of an "A" rating.

Another group gaining an "A" in state participation was the clarinet ensemble comprised of Virginia Hawley, Robert Galeski, George Kallimanis, and Brock Holmes. The group has worked hard on their music in addition to filling the upper clarinet section of the band. Three of the members are lower classmen and will therefore be available for further service another year.

CLARINET QUARTET

SAXOPHONE QUARTET

The Saxophone Quartette organized last year, achieved a remarkable record for itself the first year of its existence.a The first group consisting of Lloyd Hawley, Maurice Chatovitz, Bob Hotchkiss, and Clark Remstad gained state and national recognition, winning first place in both contests. This year in the state contest the group consisting of Clark Ramstad, Bob Goldish, Brock Holmes, and Bruce Rapp, secured a second division rating.

SERVICE ORCHESTRA

Central jitterbugs could not have failed to notice the Service Orchestra, the new organization which has hit its stride so well under the able leadership of Tom Shefchik. It has fitted splendidly into the social function at Central. The idea of a school dance orchestra was expressed last year by Mrs. Benson who felt that it would be very practical for school dances. Through her efforts and Tom's persistence the group has progressed readily. Composed mainly of band and orchestra members, the group gains experience and enjoyment. The orchestra has played for Girls' Club dances, assemblies, luncheons, at the Shrine and other places.

The Beginners' Band with a changed plan of organization has enjoyed an unusually successful year. It has participated in various activities more generally than previously. Under the supervision of Mr. Thomason, it meets regularly three time a week and also has sectional rehearsals. This year it combined with the "A" band in parades, for football games, and assemblies. It also gave one performance alone and took part in several assemblies. Its members are for the most part Sophomores or those who play instruments superfluous to the needs of the "A" band.

The A Cappella Choir is one of the bussiest organizations in our school. It has a present strength of eighty active members, sixty-five of whom are sent out during the year to sing at various programs and for different organizations in the city.

During the present year 1938-39, the club made three radio broadcasts and sang at the State Youth Conference at the Pilgrim Congregational Church. They performed at the Education Week program and the Duluth Choral Festival, the Matinee Musicale, the Christmas Program, and the Spring Music Festival.

During the class period, a number of wellknown artists have visited them. The choir will sing at Commencement as well as Baccalaureate.

"Unusual" is the word descriptive of this club. Every Wednesday after school a group of prospective baton twirlers hold a meeting at which they practice their art. Perfection in this art is not easy to attain but very effective when mastered.

Another aspect of this club is that its activities do not stop with the close of school but continue throughout the summer. In another year the members hope to blossom forth in new uniforms which will indeed be a welcome addition to the colorful appearance of our band. The best of the "twirlers" will be chosen to exhibit that skill, and when that day comes, Central will have an additional cause to praise the appearance and performance of its band.

STUDENT-TEACHER CONFERENCE

FIRST ROW—Neipp, Carlson, Mc-Lean, Maker.

SECOND ROW—Graham, Kanerva, Ramstad, Grimwood.

"To promote the general welfare of our school by efficient cooperation between the faculty and the students in all phases of school life, by fostering a proper spirit towards law and order, and by developing individual responsibility in academic life and worthwhile student activities" is the purpose of the Student-Teacher Conference, as stated in the Preamble of our school constitution. The conference was divided into two groups; the Council and the Executive Board. Committees were sent to other schools in this district to study their problems and methods of student government. A delegation of five represented Central for the first time at a Northwest Student-Teacher Conference held at Marshall High School in Minneapolis, November 18 and 19,1938. Officers this year were: President Donald McLean; Vice President, Bob Neipp; Secretary, Ann Maker; Treasurer, Helen Carlson.

GIRLS' PED CLUB

There always has to be a certain group of people to start things rolling in a big way, and you can trust the Girls' Pep Club to start the pep rolling at Central in just that way. Their main purpose is to teach as many of the students as possible our school songs and yells, since group singing and yelling is quite effective and adds greatly to the enthusiasm at the football and basketball games.

During the Auction and other outstanding events, the Girls' Pep Club takes over the selling of certain novelties and candy. Because they receive points toward their letters, these girls are encouraged to participate in all school activities.

THE STAFF

In this, its seventeenth year of publication, the Spectator has presented to students and faculty of Central the information of school activities. Published fortnightly, it is issued to each paid, class member. Its success this year has been due largely to the persevering girl editor, Barbara Jenswold.

No Spectator could be successfully published without Miss Mortland's guiding hand which has so capably led it on to become one of the leading high school papers of the Northwest. It is she who as Spec adviser, checks the staff in their efforts to make a paper of interest to every student.

The Minnesota High School Press Association convention was held in Duluth this fall. Richard Conde, business manager of the Spectator was elected president for next year.

Each year a Zenith is created—containing pages filled with the passing pageantry of a year's life at Central. Each year certain persevering students form a staff and put their time and ideas into creating a book for the students to enjoy and treasure.

This Zenith is published as your store-house of memories of the departed year. Earnestly and eagerly the staff has worked to prepare these pages; long have they planned and revised; unceasingly have they sold the copies. This, your annual, is the treasure of those things which you have done throughout the year, preserved herein that they may bring you enjoyment and pleasure in the years to come.

We, the staff of the 1939 Zenith, extend our deep-felt thanks and appreciation to Mr. Ging, our adviser. It has been his able and cheerful assistance and encouragement which have been so helpful in pushing us towards our goal.

ZENITH SOLICITORS

IRENE HENDRICKSON

Just as a spoke is vitally important to the strength of a wheel, so are the Zenith solicitors to the success of the Zenith. Theirs is the trying business of signing up, and then exacting the monetary payments of the "would be" owners of the forthcoming Zenith. In order that this money be in on time, they must be constantly on the job, and no matter how unrelenting the buyer may be these solicitors must forever be patient and courteous yet still get the required installment. But when all is done they can look back on their work as an experience that was well worth their while and with the consolation that without them the Zenith could not have succeeded financial ly.

QUEEN OF ATHLETICS

An impressive sight was the crowning of the ,939 Athletic Queen in Central's gym December 28, 1938, when last year's Queen, Ruth Carlson, relinquished her crown to the newly-elected Queen, Elaine Dahl. Attending her as maids-in-waiting were Helen Carlson, Nancy Foster, Jean Anneke, and Jean Tennant with little Barbara Ann Ritchie as crown-bearer.

A new system of election was tried this year. Instead of the usual flurry of excitement, the election was carried on more quietly. The five contestants were nominated by the students, and two days later the Queen was elected from these candidates. Once again the Central students had elected a Queen of whom they could justly be proud.

Following the crowning of the queen and the basketball games, a dance was held in the gym.

1938 COMMENCEMENT

Following a plan inaugurated a few years ago, the 1938 Commencement was held in the Armory. Due to the large size of recent graduating classes it was necessary to find an auditorium of sufficient capacity to accommodate the ever increasing numbers.

The program last year consisted of numbers by the orchestra and A Cappella choir, a very inspiring address by Rev. McQueen, and a speech given by Richard Pittenger, the class orator. After the program in accordance with the time-old tradition, the Seniors, attired in their caps gowns, marched across the stage and received their diplomas from our principal, Mr. Santee.

After the Commencement exercises, the Junior class honored the Seniors with a dance at the Oatka Beach Club. Betty Miles and Charles Haslam were chairmen. With blue and white baloons and streamers, and the use of fish net, life bouys, lighthouses and other nautical symbols, the Club was transformed into a ship deck for the last dance of the school year.

1938 PROM

Soft lights—flowing dresses—dancing couples—such was the setting of the 1938 Junior-Senior Prom. Bunches of deep purple balloons festively decorated the ballroom of the Hotel Duluth and transformed it into an old-fashioned grape orchard. In their hair many of the girls wore small Japanese umbrellas which were given as favors at the door.

After the grand march, which was led by Margaret Miller and Bob Swanstrom, the chairmen, part of the dance was broadcast over the radio. Many students gathered around the microphone and some of them were questioned about their activities at Central.

In the late spring of each year the Junior class honors the Senior class by giving the Prom. The complete arrangements for the dance are made by boy and girl chairman elected by the class; however, each graduating Senior is given a free ticket. This dance is the biggest social undertaking of the year and always proves to be a gala affair.

Assisting Margaret and Bob were: Margaret MacFadyen, chairman of the favors committee; John Grandy, Bob Neipp and Tom Shefchik were in charge of the music; Marjorie Zalk, chairman of the ticket and invitation committee; and Jean Tennant who was decorations chairman.

Sparkling colors of all hues and shades radiated from Central's stage which was transformed into a scene from a typical country fair, the background for our 1938 Auction. A short skit written by Lorraine Lundberg was presented in which many Centralites became "countrified." Various small booths were set up upon which pumpkins, jelly glasses, and other products belonging to a fair were displayed. The orchestra inspirited the party with many an old-time tune. With the auctioneering of the cow of Centralville's Mayor, the Auction was officially opened with a bang!

Heading the event were Harriet Sleepack and Fred Knight, general chairmen. Various committee heads were as follows: candy committee, Marjorie Olson; pool committee, Bob Nehring; ribbon committee, Zoe Hartman.

Three hundred and sixty-one dollars were cleared from the Auction this year. The money was used to bring happiness and cheer to needy families on Thanksgiving Day. This, in reality, is the purpose of the Auction and is of much more importance than the pleasure and fun that comes to the student body. Joy and excitement plus white candy-filled boxes combined with colorful activity have made up the Central Auction since it was begun in 1896. Each succeeding class has added much to the annual Auction until today it has become as much a part of Central as the building itself.

THE SENIOR

The plot concerned a match between Princess Alexandra and Prince Albert. The resourceful mother, Beatrice, had but one desire, to see · her daughter Alexandra a Queen. She therefore devised a plan, whereby the tutor, Dr. Agi, was invited to a reception in order to make Prince Albert jealous. To complicate matters the Princess fell in love with the tutor but both Agi and Alexandra realized that their love was beyond reason for the Prince. Princess Beatrice had convinced her daughter that the happiest families of Europe are often made up of unhappy individuals. With this somewhat philosophical acceptance of the European point of view, the play ended with Alexandra, "the proud white swan," bethrothed to Albert, thus fulfilling the desire of Princess Beatrice for a throne. The play accurately reflected the customs and manners of court life and proved a challenge to the highest creative and artistic abilities of all the seniors who were associated with the production.

JENIOR DRESS UP DAY

Gaiety ruled supreme on Central's annual "dress up" day this year. Students arrived at school in the morning donned in every conceivable type of costume. From frames to cave-men—such was the array. The Seniors had to attend all of their morning classes this year and at twelve those entered for prizes were judged. At one o'clock the annual parade was formed and with bands blaring the Seniors showed off their originality to the rest of Central and Washington.

After the parade an entertaining assembly was held which took us back into the old-times when theater entertainment was just beginning. The program consisted of a song, "Frankie and Johnnie" by Ann Maker; barbershop quartette; a humorous dance by Miriam Oreck and Bill Mumma; and a "Mellerdrammer."

The day's festivities were topped off by a dance given in the gym at which time the following prizes were awarded:

Sweepstake — Shirley Everson, "An Old Fashioned Garden."

Most Beautiful Girl's Costume — Alice Gebo, "Brown-eyed Susan."

Most Original Costume—Bette Dickson, "Miss Ink."

ZENITH DANCE

MARGARET MacFADYEN AND BOB NEIPP

Co-Chairmen

In the softly lighted ballroom of the Hotel Duluth on November 24, the Zenith Thanks-giving Dance was held. To the lilting strains of Joe Priley's Orchestra, the many present danced until time for the grand march led by Margaret Mac Fadyen and Bob Neipp, co-chairmen for the dance.

This year, one-half hour of the dance program was broadcast over radio station KDAL. Some of the girls had the added thrill of having their formals described over the air by Jean Tennant. Following that, the announcer went among the dancers and interviewed several of the couples to the amusement of the radio audience.

Not only proving to be one of the social highlights of the school year, this dance also provided an opportunity for the business staff to make money to be used in the production of the yearbook.

ALICE IN CENTRALAND

During the first week in December, the Girls' Club presented "Alice in Central-land." John Grandy took the part of a typical Central student, escorted Ann Maker, who was looking for Wonderland, through Central-land.

In the course of the presentation, episodes were put on for the benefit of Alice by the Music department, Athletic department, and other individual groups. Each group had a faculty advisor but the majority of them were student directors. The entire production was written and directed by Mrs. Dora Mary Macdonald. The Service orchestra, under the direction of Tom Shefchik, provided the musical background. This year the proceeds of the performance were used to buy new equipment for our gymnasium.

DEBATE

This year witnessed the greatest debate activity in the history of Central. The squad consisting of twenty-five members, was record breaking in point of numbers.

Practically every member was given a chance to participate in tournaments at Cloquet and Superior Central. Numerous debates were held among members of the squad during the year. The Debate squad also furnished speakers for Youth Week.

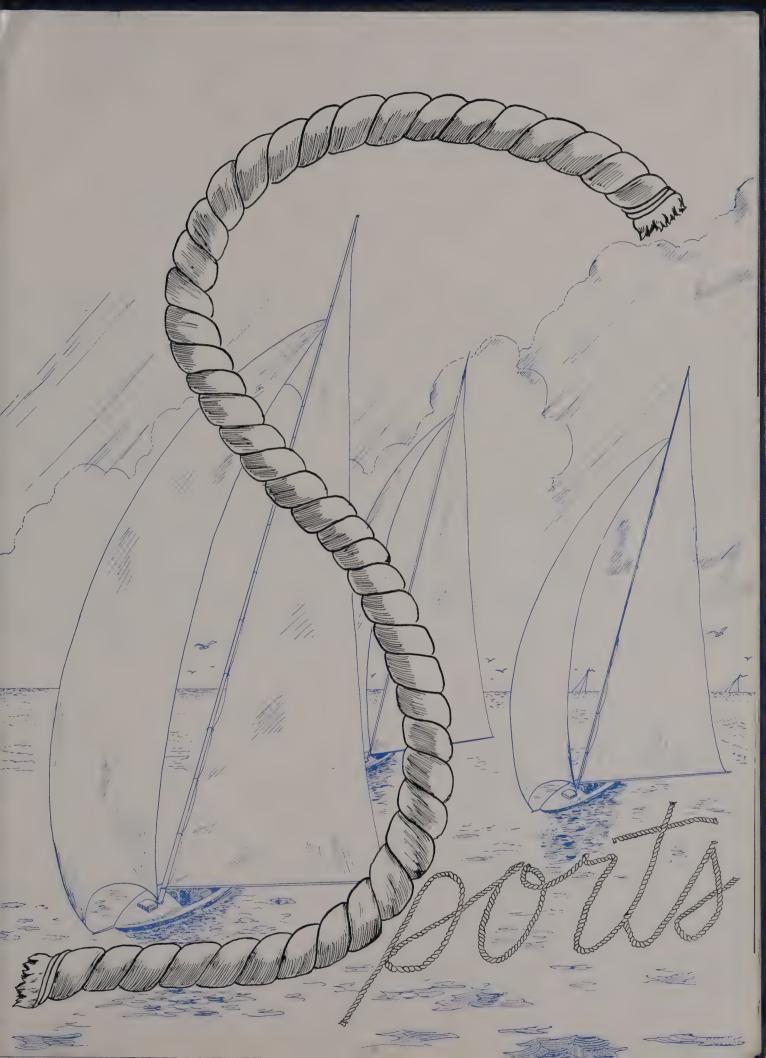

The district competition was decided by the margin of one judge's vote. In debates the teams finished in a three way tie.

Central defeated Denfeld 2 to 1 Cloquet defeated Central 2 to 1 Denfeld defeated Cloquet 3 to 0

This gave Denfeld 4 judges' votes, Central 3, and Cloquet 2. Central therefore, took second place in the district.

However, Central retained the city title by defeating Denfeld. Under Mr. Warren, Central has defeated Denfeld in six out of eight contests. Central's five-year record:

- 31 out of 44 decisions
- 5 city championships
- 3 district championships
- 3 triangular championships (permanent possession of cup)
- I regional runner-up
- 3 tournament championships (Cloquet)

FOOTBALL 1938

The Trojan gridders opened their season on September 10 by playing Chisholm at the Public Schools Stadium. With the weight leaning to Chisholm's advantage, Central finished on the short end of the 13 to 0 score.

Dick Spicer, through his brilliant passing and footwork, earned for himself the distinction of becoming the Red and White's triple threat man.

Central's Red and White warriors met the strong Minneapolis North eleven on September 17 at Ordean Field only to be turned back for a 12 to 6 score.

Diminutive Don Crassweller, shifty Trojan half back, opened up a running attack in the third period which brought the Troy eleven several times within the shadow of touch-down territory but was unable to cross the goal line.

The warriors of the House of Troy fell victim to a powerful Hibbing aggregation by a score of 24-7 in a gridiron classic played under the lights of the Public Schools Stadium on September 23.

Crassweller again took the spotlight with his wide end runs and accurate passing.

Cathedral, out to gain revenge for the 21 to 6 whipping they took last year from

the Red and White eleven, eked out a thrilling 19 to 13 win over Central's Trojan warriors, September 31, at the Public Schools Stadium.

Both teams displayed much power but the variety of plays Cathedral used spelled defeat for the House of Troy in the most thrilling classic of the year.

Central's first win of the season came to them on October 6, when they met the plucky Margan Park gridders. The Wildcat eleven fell victim to a 19 to 7 score tack which left the Superior eleven on the short end of a 13 to 0 score.

The House of Troy invaded Eveleth territory on October 20, where they met defeat by a score of 14 to 7 from a fast-charging Range team. Haslam's line plunges proved a big factor in gaining necessary yardage when it was needed but it was not enough to turn defeat into victory for the Trojans.

On November II Central traveled to South Dakota

under the lights at the Public Schools Stadium.

With Central carrying the superior weight on their side, Bob Swanstrom, Captain and quarterback, had little trouble maneuvering his mates up and down the field, battering the smaller Wildcats, and causing them many minutes of trouble.

With Denfeld still feeling the sting of last year's defeat, the Hunters were out to massacre the Red and White warriors. The House of Troy took a 12 to 7 setback after a hard and brilliantly fought game.

Chuck Haslam, receiving perfect blocking from his team-mates, took the opening kick-off on his own 20 yard strip, cut for the middle of the field and then down the sidelines to run 80 yards for the first and only Trojan touchdown. Bill Williamson converted the extra point squarely between the uprights.

Haslam's 80 yard gallop was the most spectacular play of the year.

Displaying brilliant offensive and defensive maneuvers, Coach Larson's gridders took their second and last win of the season when they trimmed the Superior Central Orphans at the Stadium on October 20. Paced by Crassweller, the Trojans uncorked a vicious running at-

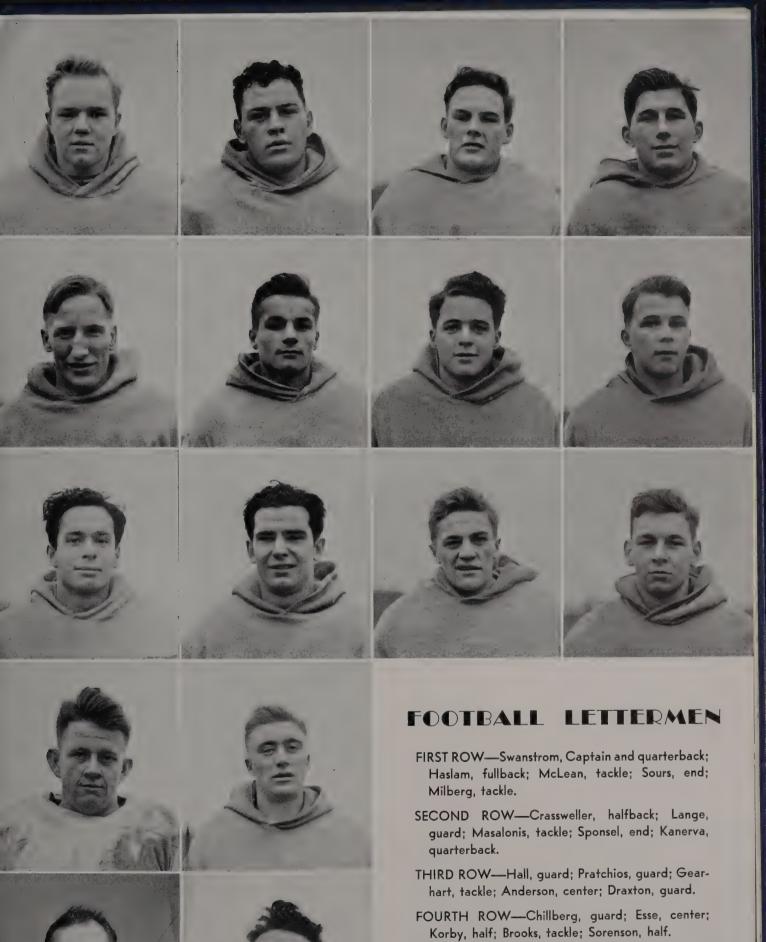

to bow 19 to 12 to a colorful Washington High eleven of Souix Falls.

The Trojan line far outplayed the Dakotans with thirteen first downs as compared to only four for the home team.

Punting was entirely in Central's favor with Nat Gearhart exhibiting a beautiful 70 yard punt which penetrated deep into Washington territory.

ATHLETIC BOARD OF CONTROL

The Athletic Board of Control has charge of all athletic questions and giving of letters at Central. It consists of Mr. Phillips, Dean of Boys, who is the chairman; the four boys' coaches; Miss Robie, the Adviser of the Girls' Athletic Association; and the three class presidents. One of its main duties is to pass on all people who are submitted as worthy of receiving letter awards. All letter men are subject to the board of control, whether athletic or scholastic. Whenever any change arises in the athletic policy of Central, the matter is brought up before this board.

CHEERLEADERS

Even our zip and joy must have some leadership at times, and none better fill the requirements than our able cheerleaders. Whenever our boys have sprinted their way across that line, or have made a difficult basket, these cheerleaders are "up 'n at it" leading us to roar out in unity which is a great encouragement to any player. If, perhaps, our morale as well as that of the players is low, trust these peppy cheerleaders to do away with such gloom and inspire all players and rooters, and to bring out that old sparkle. However, these leaders do not limit their cheery presence to basketball and football games but spread it over swimming and track meets as well as many pep assemblies.

STUDENT MANAGERS

The role played by the various student managers has become as much a part of athletics as that performed by the athlete himself. This system has been successfully employed by Mr. Swain, who appoints certain boys every year to take over the responsibility of the gymnasium while he is away, as well as being handy men during cross-country meets and basketball games. Charge of the medical aids is also given to these student managers, who are usually kept "on the run" during football games.

BASKETBALL 1938

ROW THREE—Long, Kolarik, Lund, Ingersoll, Tallakson, Atkins, Bonham, Eacobacci. Not in Picture—Johnson.

Starting late in November, basketball again dominated the field of athletics at Central during the late fall months.

Practice began during the first week of school, and when the football season terminated many valuable players were added to the team.

During the season the team won approximately half of all the games on their schedule. While this was not an outstanding record, it did show some outstanding events.

Duluth Central won over Superior Central, thereby causing the first defeat that team had suffered all season. Our team also prided themselves on winning over Denfeld for the first time in many years. Causing the biggest upset of the season, Central narrowly defeated Cloquet, one of the strongest teams at the Head of the Lakes, during the latter part of March. This victory brought them to the semi-finals in the District Tournament.

Immediately following this game Dave Latham, Trojan forward, was chosen first-string guard on the All-Star Tournament Team selected by the two referees of the event. Earlier in the season Bill Williamson and Bob Swanstrom received honorary positions on the Duluth Coaches' All-City Team.

Our basketball teams last season experienced what is known as an "up and down" record, not too bad and not too good. At first, games were lost week after week. Then suddenly the squad seemed to acquire new life and would go on the rampage for several weeks, with some of the strongest teams falling their victims.

Take the Proctor-Central clash-first of the season. As usual, the game went to the Rails, 29 to 15. Then followed the Superior Cathedral affair, with the Trojans on a long end of a 39 to 21 score.

We were down one game and up the next.

The next week, Two Harbors invaded our gymnasium to take a 29 to 25 verdict. Homecoming celebrations, the next week, were ruined for us when the Cloquet Lumberjacks dumped us 31 to 16. This was hard to lose, so the following week, we went over to the Hunters' court to drub the Denfeldites 36 to 22. We were just getting into our stride. Cathedral was our next victim and we won that contest in an overtime contest by a 25 to 23 count. It was Friday the thirteenth, but that cut no ice with the Trojans.

We were feeling quite chipper when we invaded Cloquet on January 21, but they soon changed our outlook on life when they clipped us 36 to 31. Denfeld caught us in our sorrow and heaped on another defeat, garnering 26 points to our 22. Refusing to be left in the lurch, we met and conquered Superior's Orphans the following week by a 36 to 31 score. We were up again and meant business this time. Two Harbors was the next quintet to feel the sting of a Red and White victory. They fell under us, 31 to 19.

Then we had to meet those Proctor Rails again, and for the second time in the season we felt jittery. They beat us, 21 to 15, on our own floor. We were down again and stayed there until the end of the playing season, because Morgan Park, those scrapping lads from out in the West, squared their

accounts with us, 21 to 13.

That finished our regular season, but we made a splendid showing in the first game of the 26th District tournament. We drew those Lumberiacks from Cloquet and put them out of the tourney with a 31 to 28 win. Then a smooth-running machine from Carlton, which went on to the championship, met us face to face in the semi-finals to put us out in the bleachers for the finals.

So ended our "up and down" season.

CROSS

ROW ONE—Snead, Vertelney, R. Lund, Ingersoll, Morterud, Nordean, Spadafore, Meining.

ROW TWO—Peleski, Johnson, Hanson, Peterson, Gitar, Bawden, Zelezmikar, O. Lund, Larson.

With perfect weather and good material our cross-country team came through with flying colors again this season. We won with high honors each of the three races in which we participated, two relays and one cross country race.

The first race was a relay at Ordean Field when four of our speedsters, Maurice Nordean, John Ingersoll, Bob Morterud, and William Snead, all outran their opponents bringing the first victory to Central.

The second race was the cross-country run against Denfeld before the Denfeld-Cloquet game. In this race our veteran trackster, Maurice Nordean set the pace and kept it throughout the race. Central ended taking first, second, third, fifth and sixth places.

Our third race was again a relay against Denfeld before the traditional Denfeld-Central game. In this race we won by a margin of two hundred

and forty yards.

The four boys who ran in this race, Maurice Nordean, Bob Lund, John Ingersoll, and Bob Morterude, were treated with a trip to Minneapolis to see the Minnesota-lowa football game. The results show that we had a very successful 1938 cross-country season.

This year's intra-mural basketball tourney got under way the first week after Christmas vacation, with forty-seven teams entered.

Mr. Frank (Butch) Larson capably assisted in all arrangements and acted as time keeper throughout the three months, January, February and March.

Each Thursday four games were played off in the gymnasium with Bill Williamson, Perry Stockman, Dave Altman and "Socko" Capoyiannes officiating.

Room 211 took top honors against all other teams which entitled them to compete against the faculty squad. While a capacity crowd looked on, room 211, composed of E. Maki, R. Maki, Marmass (captain), Marvin, Matheson, and McDonald, drubbed the faculty 41-29, the worst beating the faculty has taken in years.

Throughout the season fair play has been the key-note between the various rooms. Student managers for the regular squad assisted in keeping the scores and helping Coach Larson in his various activities.

Maki, Marvin, Mathison, Marmas, Lundblad, Maki.

INTRA-MURAL BASKETBALL

HOCKEY

ROW ONE—Alberts, Garden, Johnson, Simonds, Gundersen, Mattson, M. Greenspan.

ROW TWO—Chillberg, Watten, B. Sours Coach Gude, Mullin, M. Erickson, Sorenson.

This was the first successful season of Central's swim team since 1919, judging by the number of meets in which our mermen participated. Mr. Johnson of the Commercial Department coached the team to several victories. In the fall, in a meet held with Ontario swimmers at Fort William, the Trojans were defeated. This defeat was offset later, however, when the combined forces of Central, Denfeld and Morgan Park whipped up a winning score and captured the International title here at their home pool. The Canadian victory was followed with defeats by both Coleraine and Virginia in thrilling meets at the Boys' Y. These contests against star swimmers served as experiences for the Trojans, and soon a meet with Superior Central proved to be a victory for Central. The Trojans ended their season by capturing the Morgan Park Invitational against Denfeld and Morgan Park, and retaining the championship trophy for another year.

Central's pucksters had a very unsuccessful season, if success is to count solely by the record of the scoring sheet, as our team won but three of fourteen games.

The forward wall of the team was strong and held their opponents well, but the breaks seemed against the boys and repeatedly they were compelled to taste defeat. Credit for bringing hockey back after a lapse of two seasons goes to Mr. Gude the coach, who gave freely of his time in rounding the team into shope.

About twenty-four eligible players answered coach Gude's initial call for men. Ole Chillberg was elected captain of the school team selected from the group. The games were played at the Amphitheater until the collapse of the building, which ended the hockey season abruptly.

ROW ONE—Kelley, Torgeson, Scanlon (captain), Rietan, Mannes, Neipp, Peterson, Soberg.

ROW TWO — Cooley, Webel, Austin, Carpenter, Jarvin, Nordal, MacFadyen, Kelley, Coach Johnson.

JWIMMING

FIRST ROW—Martin, Williamson, Krupp, Capoyianes, Withers.

SECOND ROW—Quigley, Johnson, Elliot, Frankosky, Bergman, Norris, Oxman, Celesta, Coach Gude.

BASEBALL

Central High's Diamondball team met with very high success last season by winning the district championship and also beating a few of the Commericial League teams.

Our team was picked from Mr. Swain and Mr. Anderson's gym classes. This was done by having every gym class form a team and play a "round robin" series. From these games Mr. Gude picked the permanent squad.

Some of the outside firms that we played were:

Rust-Parker Company.

Diamond Calk Horse Shoe Company.

Western Paint Company.

Washington Field.

Lester Park Field.

The teams that we defeated in the tournament were Cloquet, Grand Marais, and Cromwell.

This was the second time in succession that the Central Trojans won the district tournament.

TRACK-1938

"1938" was a very successful year for Central's track team. We won three first places, tied with Minneapolis South for one second, and took fourth place at the State Meet.

Again Central came through to take high points in the Annual City Meet making this the tenth consecutive year.

The outstanding boys on this team and their special events were as follows: Douglas Farnam, John Johnson, and Fred Stout—Pole Vault; Charles Haslam and Fred Stout—100 yd. Dash; John Ingersoll, Leslie McGill, Dick Peterson, and Maurie Nordean—One-half and One-quarter Milers; Jay Lapham, and Dick Peterson—High and Low Hurdles; Bill Jones, Dick Peterson and John Johnson—High and Broad Jumpers; Ray Milberg, Dick Peterson, and Bob Williams—Weights, Shot Put, and Discus.

Mr. Swain forecasted a better team for "39," and thus far they have been worthy of the name of Trojans.

ROW ONE-J. Johnson, Nordean, Ingersoll, Milberg, Farnam, Stout, Morterud.

ROW TWO—Vertelney, Soltau, Lapham, McGill Jones, Hanson.

ROW THREE — Pratchios, Tauskansen, Lund, Williams, H. Johnson, Bergfalk, Warren, Bergman.

ROW ONE—Butler, Olson, Boren, Nicolaison, Boldt.

ROW TWO—Lundquist, Winship, Johnsen, Riddell, Larson.

SKIING

Central may well be proud of its 1938-39 ski team as they won all of the trophies possible within our state.

Our "bird men" captured all high honors in the 26th District meet at Chester Bowl and, led by Herb Feddick, they marched to the State victory. This state meet was held at Chester Bowl on February 17 with good weather prevailing.

Feddick, Contardo, Hanson, and H. Peterson led the jumping section from our school while Feddick, Branscome, Folland, and Tallackson were chief slalam-runners of the day.

Our cross country team consisted of Don Johnson, Robert Maas, Elmer Lake, Bud Branscome, and Ray Folland.

This year was the most successful skiing year that Central has had for many years.

CURLING

Twenty-eight boys answered Coach Etscheid's call for Central curlers. The season began in February and closed in March, making the playing period a short one of only six weeks. During the season the boys practiced each Tuesday and Thursday at the Duluth Curling Club.

In spite of the short season, Mr. Etscheid, head of the Auto Shop Department and new curling coach, worked up a very efficient squad.

Mr. Etscheid, a veteran curler from Eveleth, is making plans for Central curlers to play such teams as Hibbing, Eveleth, Chisholm, and Buhl on next year's schedule.

Eight boys received letters for curling this year. They were Keneth Olson, Tom Dworshak, Lyonel Larson, Gerald Boren, Edward Nicoloison, Robert Butler, Myron Nelson, and Wallace Larson.

ROW ONE—Folland, Peterson, Johnson, Contardo, Maas, Peterson.

ROW TWO — Tallakson, Lane, Hanson, Branscome, Marvin, Feddick.

one hundred thirty-three

ROW ONE—Crassweller, Lange, Draxten, Frankosky, Kanerya, Nehring, Sorenson.

ROW TWO—Neipp, Hanson, Kelly, Maalones, Sours, Soberg, Litman, Spadafore.

ROW THREE—Krupp, Jarvin, Sponsel, Latham, Nordean, Brooks, Nordal, Solon, Williamson.

66D99 CLUB

Several years ago a "D" Club was started as an honor club for athletic letter men. The club was then discontinued, and has just recently been reorganized and proven itself a worthy organization. In order to be eligible for membership, the student must have earned a letter in some phase of athletics.

Its main purpose is to support athletics in the school, and to put more enthusiasm into the crowd at games. These letter men are conspicuous with their well-earned "D's" on their sweaters. In wearing these letters they have often encouraged others to take interest in athletics and to develop such skill as will enable them to become honored letter men. This year's president was Bob Kanerva, assisted by Bob Nehring and George Frankosky.

NEW CLASSES

Under the capable leadership of coach Swain, coach Robie, and our latest member to the coaching ring, Mr. Nichols, the newly organized gym classes at the Boys' "Y" are a great success.

Many new activities, such as archery, rifle, tennis, ping pong and billiards, are on the program for those who are unable to take part in gymnastics.

Coach Swain says that the new program is a most successful one and that he looks forward to a large and varied set-up for next year.

Greenspan, Irving, Pennie, Johnson, and Coach Gude.

GOLF

The Trojan golfers came through with a very successful season this year winning every meet in which they participated. This team also won one of two possible trophies.

The team competed against Denfeld, Morgan Park and Superior Central in the inter-school meets and against Denfeld, Morgan Park, Cathedral, Superior Central, Cloquet and Proctor in the tournament meets.

These games were played at Enger Park, Riverside, Lester Park and Nemadji.

Our team consisted of Eric Peterson, Bob Dinham, Virgil Fisher, Bob Bakalyar, John Jenswold, and Wilbur Berno, all of whom were letter men.

TENNIS

Under the leadership of Mr. Guy Warren, the boys' tennis team has made great progress this season. Sixteen players answered to the first call during the early part of May.

Starting with elimination tournaments, the boys gradually worked up to bigger and stronger matches. After many heated games Irving Greenspan, Fred Knight, Wes Harkins, Charles Zalk, Morton Zalk, Dave Johnson, and Fred Lounsberry were still surviving for the finals.

In these last few weeks of school, the team is keeping up their good record and as a result are playing many out of town games. The player proving most capable during the remaining tilts will represent

Bakalyar, Fisher, Dinham, E. Peterson, Jenswold; absent, W. Birno.

GIRLS' GOLF

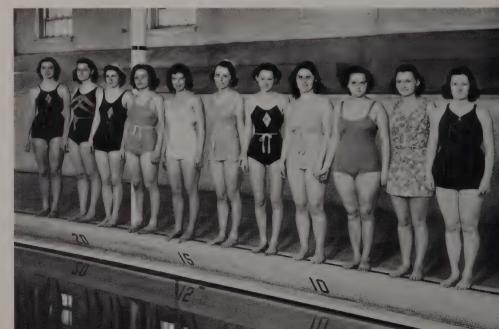

Golf proved a popular sport for girls during the Fall and spring seasons. Many girls turned out for the tournaments which were held Saturday mornings and after school on the municipal links. The tournaments were arranged by Jane Ann Lepp. Ruth Dunning became the Girls' Golf Champion by defeating Jane Van Hoven.

During the Spring the girls team played against girls from Morgan Park and Denfeld, and later a boy and girl mixed tournament was held between Denfeld and Central.

SWIMMING

This year the Girls' Club sponsored four swimming classes at the Y.W.C.A. in which thirty girls were enrolled. Under this arrangement the girls received their medical examinations and lessons at a reduced rate. Each class met once a week after school. The beginning, intermediate and life saving groups were taught by "Y" instructors. Miss Robie was director of the advanced group. The advanced class met from September to the middle of December and from April to the end of the year. The girls in the advanced swimming class and the boys from the Boys' "Y" planned three "splash" parties which were held throughout the year.

BADMINTON GIRLS' RIDING

With the proceeds from the check-room and candy sales and with the aid of the Girls' Club and the school athletic fund, the athletic division of the Girls' Club was able to purchase for the gym 12 badminton rackets, 6 double presses, and 3 nets. Further proceeds from the candy sales were allotted for the upkeep of the rackets and birds.

The girls interested in horseback riding met during the spring and fall seasons with Virginia Wiersch as head. The group has been divided into the beginning and advanced sections, one meeting Wednesday afternoons and the other Saturday mornings. The beginning group is composed of girls who are learning the fundamentals of riding from experienced instructors at the Lester Park Paddock. Girls in the advanced group ride to further their technique and for the enjoyment that comes from participating in such an exhilarating sport. They follow trails along the Lakeshore and through Lester Park.

TENNIS

Eight girls played tennis for Central last summer and a team is to be organized for the spring and summer of 1939. The team will be larger, because classes were conducted during the year for beginning players who wished to learn the rules and technique of the game.

The 1938 tournament for singles was won by Jean Anneke. She and Mary Scanlon won the doubles matches. Play-offs were held at Longview Courts.

Central girls reached the finals in the district tournament which was held in Cloquet but were defeated by Two Harbors. This year's matches are to be held with girls from other schools as well as an intramural tournament.

ROW ONE—Hibbs, Tapping, Buresh, Carlson-head, Kohlbry, Van Hoven. ROW TWO—Lepp, Kinsey, Spice, Bartholdi, Van Hoven, J. Dickson.

BOWLING

Bowling continued for the second year at Central, gaining favor among the students. The girls formed two groups, one bowling on Mondays at the Arrowhead under the leadership of Edyth Bartholdi, and a Tuesday group bowling at the Duluth Bowling Center led by Pat Tapping. Miss Quarters acted as faculty advisor.

At the beginning of the spring semester tournament teams were formed which participated in League Play. During first semester practice the girls had gained confidence, and the rivalry between the teams was great.

PING PONG

Although ping pong is comparatively new, it has made a great deal of progress this year. Girls had the opportunity of learning to play during gym classes and after school. A "round robin" tournament was held in March for those interested. Twenty girls entered this contest. Tournament games were played on Mondays, Wednesdays and Fridays during March. The winner was Fern Dehlin, with Mary Lou Eatno and Dorothy Nehring as runners-up. Jean Adette acted as sports head for the season.

SHUFFLEBOARD

Shuffle-board is a new sport introduced at Central this year. This game was played in the girls' gym classes and during the recreation hour, every Friday after school.

A ladder tournament was held during February and March with twelve entries. The object of the tournament was to try to reach the top of the chart at the end of the tournament. The winner was Fern Dehlin with Dorothy Nehring and Mary Lou Eaton runners up.

ROW ONE—Person, L. Peterson, C. Peterson, Eaton, Adette.
ROW TWO—Nehring, S. Peterson, Chapman, Kaasala, Dehlin, Gamash.

VOLLEYBALL

Volleyball is another new sport for girls' gym classes started in Central this year. An intramural tournament was held under the direction of students. Officials for the games were taken from the student body and the schedule made out by the sport head, Arlene Gamash, and her assistants, Jo Anne Bartholdi and Lorraine LeDuc. Coming out as victors were the Pepsters who were led by Dorothy Nehring.

ROW ONE — Holder, Nehring, Adette, Stenberg, Chapman, S. Peterson, B. Peterson, Larson, Stirratt, Languist.

ROW TWO — Berine, Kohlbry, Pfeiffer, Eames, Feldeen, Tedlund, Kollath, Mell, Paukner, Leppa, Komulainen, Schank.

ROW THREE—Potvin, Kruezberger, Dehlin, Nelson, Illonardo, Makowski, L. Bartlett, Bartholdi, Lent, Rosenberg, Schar, Damberg, Benson, Zelefski.

ROW FOUR—Johnson, Lakela, Hopkins, Buchanan, N. Bartlett, Haigh, Leines, Dulinski, Guilfoy, Santa, Doty, Andler, Berg, Johnson, Forbort, Ericsen.

BASKETBALL

Basketball is a sport of major interest among the girls of Central. During the year a special technique class was held in which girls were taught how to play and referee basketball.

An intramural tournament was held for Sophomore, Junior and Senior girls who were interested in this sport. They played two court and three court basketball.

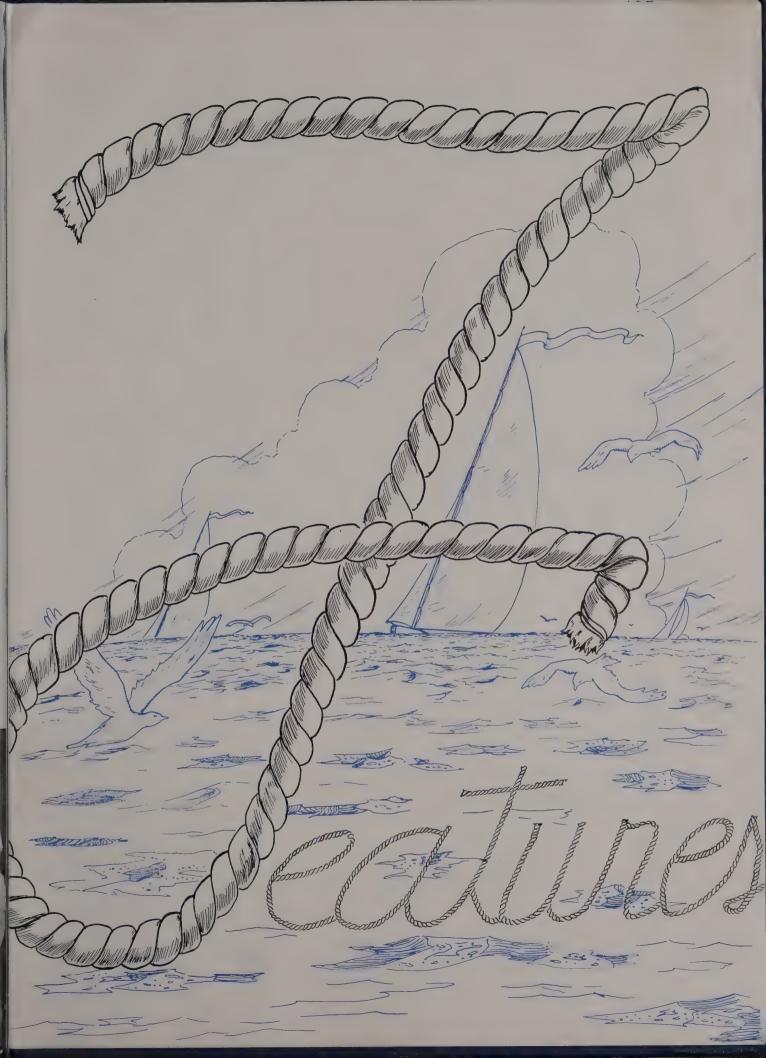

Both of these basketball tournaments were conducted and refereed by Central girls.

ROW ONE — Alice Person, Betty Gon, Arlene Gamash, Shirley Peterson, Dorothy Nehring, Jean Adette.

ROW TWO—L. Peterson, Jacobson, Chapman, Kreuzberger, C. Peterson, Stenberg.
